The permit must be displayed to the centre of your windshield that hangs from the rear-view mirror. The permit must be clearly visible to the Campus Enforcement & Patrol officer at all times.

7. **When will Campus Enforcement & Patrol start enforcing permits?**

Parking permits are in effect from May 1st to April 30th and enforcement takes place all year long with the only exception being a two-week relaxation for parking area P2 (the large lot at the rear of the Arts and Science building during the beginning of the Fall semester only.

8. **What hours and days are the permits enforced?**

Permit parking will be enforced by Campus Enforcement & Patrol officers Monday to Friday from 8am to 5pm. Parking areas P6 and P9 are enforced 24hrs a day. Winter enforcement is daily from 12:00am to 5:30am (for winter maintenance)

9. **Is a space guaranteed with a permit?**

No spaces are guaranteed. A parking space is offered on a first come, first served basis.

10. **Are temporary parking permits available?**

Daily passes can be purchased at the bookstore for $5.00 per pass. These passes are valid for P2 lots. Visitors are encouraged to use the parking app/visitor area and park in the circle/roundabout in front of the A&S Extension.
11. Where can visitors park?

Four visitor parking spaces will be created in the round-about area in front of the A&S Extension. The intention of these spaces is for visitors requiring parking for 2 hours or less. Visitors using these spaces will have to register at the Campus Enforcement office. For visitors wanting to stay on campus longer than 2 hours, $5.00 day passes will continue to be sold at the bookstore. Nine parking app spaces will also be available in the roundabout in front of the A&S Extension.

12. How do I use the parking app for the spaces in the circle/roundabout in front of the A&S extension?

You have to download the “Passport Canada” parking app on your apple or android device, register as a user, select zone 140 and follow the instructions given on the app. Payment can be made via the app using Visa or MasterCard. There is an option to put a lump sum in the online wallet for ease of use and to minimize Visa/MasterCard transactions when using this app. The parking rate for this area is $1.50 per hour.

14. Do I need to buy a Grenfell parking permit to park in a blue zone space?

No, permits for blue zone spaces are issued by the Province of Newfoundland & Labrador. A valid permit must be clearly displayed in your windshield to be allowed to park in a blue zone space. Failing to display a blue zone permit carries a $400 - $750 fine.
15. What happens if I park in an area that I do not have a permit for?

Campus Enforcement & Patrol will ticket your vehicle during regular enforcement of the lot and the officer will place a parking ticket and envelope on your windshield. The cost of this ticket is $20 per violation payable by mail or through Provincial Traffic Court at 82 Mount Bernard Avenue in Corner Brook. Fines Administration is now accepting payments on-line for many tickets and fines, at http://gov.nl.ca/pay-online.html. A ticket number and NL master/driver’s license number are required for this process, and payment is accepted with Visa, MasterCard and Interac Debit card.

16. Can more than one person share a permit (i.e. carpool)?

Yes, but only one vehicle can park on campus with the permit at a time.

17. What happens if I lose my permit?

You must visit the bookstore and request a replacement permit. There will be a fee of $20 + hst and an affidavit must be signed by the applicant and administered by a Commissioner for Oaths prior to receiving the replacement.

18. How many permits will be sold?

Permits in P3 will be sold 1:1 so the likelihood of always getting a parking space in these lots is very likely.

Permits in P2, P5 and P8 will be oversold by approximately 25%.

Permits in P6 and P9 will be oversold by approximately 20%.

19. Where can I park my motorcycle?

Motorcycles can be parked in any space in your permitted lot. For example, if you have a P3 permit you can park your motorcycle in any P3 parking space. A permit does not need to be displayed on a motorcycle, however you must register the license plate on your application form. Motorcycles are also allowed to be parked in the corner spaces in the P2 lots across from the Library and Fine Arts building. M/C operators should advise CEP where you are parked.
20. Who do I contact if I still have questions after reading this document?
