PARKING APPLICATION – Summer 2019

The purpose of this form is to make application for a parking permit that provides the applicant with permission to park ONE vehicle at a time in a designated parking lot on the Grenfell Campus in accordance with the Memorial University Parking Regulations. Applicants for parking permits must be in good standing, and will only be considered when all past parking fees and penalties have been settled.

Because parking spaces are limited on campus, there is no guarantee of finding an available parking space. Parking permits increase the likelihood of finding an available parking space, because the number of permits issued is limited for those parking lots that require a permit. Limited parking is available without a permit in Lot P4 at no charge.
