

REQUEST FOR WAIVER OF COURSE PREREQUISITE OR COREQUISITE

A prerequisite course is a course that must be successfully completed prior to registration in the course for which it is required. A corequisite course is a prerequisite that may be taken concurrently.

All courses identified in the Class Schedule as being courses in which prerequisite and corequisite requirements will be checked, will have the requirement checked at the time you register. If you fail to meet the requirement and have not already received permission from the academic unit, you will not be permitted to register in those courses.

Please note this form may be used for more than one course as long you obtain the approval of the Dean of each of the respective academic units.

NOTE: This form must be emailed to rofrontcounter@grenfell.mun.ca from your @grenfell or @mun email. Requests from other personal email addresses will not be processed.
