Description of desired demographic (age, gender, location):

All participants must be contacted within 14 days from when you receive the file with participant names and contact information. Only researchers listed on the ethics applications may make contact with potential participants. No other person may access or view the file containing participant contact information. After 14 days you must delete the file containing the list of potential participants, and you may no longer make initial contact with any of the participants from that list. Failure to do so will result in a loss of privilege to use the Grenfell Campus Participant Pool.

I understand these regulations.
